Global Orientation Programme to Vietnam

Our students dedicated their time to meaningful community service at the EVG Community Volunteering Center, where they bonded with local children through games, taught English and S.T.E.A.M. lessons, and helped improve the center's facilities. They also embraced cultural exchange by learning basic Vietnamese phrases and sharing meals with the community. These experiences reinforced the values of empathy, service, and global citizenship, leaving a positive impact on both the students and the local community.

Embracing Culture & Heritage 🌍🌟

Our students deepened their cultural awareness through immersive experiences across Vietnam. They explored the Cu Chi Tunnels, gaining insights into the country's resilience and history, and soaked in the vibrant atmosphere of Ben Thanh Night Market, engaging with local vendors and traditional crafts.

A visit to Binh Tay Market offered a glimpse into the heart of Vietnam's trade and daily life, while the Thao Cam Vien Zoo and Botanical Gardens provided a deeper appreciation of the nation's rich biodiversity. Through these experiences, students broadened their perspectives, fostering a deeper understanding of Vietnam's heritage and cultural identity.

This is Outram—where learning goes beyond the classroom and into the world. 🌍🌟
