**Values:** Stewardship · Passion · Integrity · Resilience · Inventiveness · Teamwork

Dear Parents and Guardians

## Term 3 Weighted Assessment

Greetings from Outram Secondary School!

Our Term 3 weighted assessments will be conducted according to the schedule outlined in the attachments. These assessments cover topics that your child has been learning and will help us gauge their understanding and progress. The topics are indicated in the table below in Annex A. The topics will also be uploaded to the school website by this Friday.

## Progress Reports

You will receive your child's Progress Report on Term 3 Week 10.

## Supporting Your Child

Your encouragement and support play a crucial role in building your child's confidence and motivation. We would like to remind you that weighted assessments represent just one indication of your child's learning journey, and do not define your child's potential and self-worth. Do celebrate their effort and progress and work together with us to identify areas where additional support might be beneficial.

Thank you for your continued partnership in your child's education.
