**OUTRAM SPEECH DAY**

# **HONOUR ROLL**

**2023 - 2024**

**Learners for Life. Leaders of Integrity.  
Contributors with Compassion.**

In this inaugural publication, we proudly highlight the remarkable achievements of Outramians who epitomise the School Vision of being *Learners for Life, Leaders of Integrity, and Contributors with Compassion*.

Outramians' unwavering dedication to growth is a beacon of inspiration for our school community. Through acts of kindness and selflessness, they exemplify the essence of compassionate leadership, enriching the lives of those around them.

As we commend their accomplishments in these pages, we also celebrate and honour the integrity, hope and positivity demonstrated.

These outstanding individuals not only excel academically but also embody the essence of character and values that define our institution and the impact on the world around them.

## Global Issue Problem Solving

Global Issues Problem Solving (GIPS) teaches students how to think creatively about the future as students research and analyze the annual topics. Global Issues Problem Solving can be used as a curriculum, integrated into content areas, or offered as an extra-curricular option. Students research a series of global topics and apply Future Problem Solving Program's six step problem solving process to resolve the Future Scene, a hypothetical scenario, set 20-30 years in the future. Culminating in a detailed Action Plan, entries are authentically assessed and scored by trained evaluators.

## Scenario Writing

Scenario Writing is an individual competition in which students develop short stories related to one of Future Problem Solving's four annual topics. The story should be 1500 words or less and set at least 20 years in the future. It is an imagined but logical outcome of actions or events taking place in the world.

## Future Forecast Storytelling

Future Forecast is a nationwide storytelling competition allowing students to share their vision of how the world could look like in the year 2053. The competition is jointly organised by Temasek and The Straits Times.
