

## Sahibba Competition

Drawing from their experience and skills learnt during Mother Tongue Fortnight, five of our Secondary 4 seniors pitted their wits against other schools in the Malay version of Scrabble competition, named Cendekia Sahibba. To prepare for the competition that took place on 27<sup>th</sup> March 2019, our seniors sharpened their knowledge their language capacity by conversing in proper Malay and reading up on dictionaries. They practiced rounds of Sahibba with their classmates to expand their vocabulary repertoire.

During the competition, they had a lot of fun exchanging blows of words on the board to test and challenge the opponent's knowledge on Malay vocabulary. As a result, they learnt new words they never knew existed and build on their own vocabulary bank. This competition has also helped our students to build bridges of rapport and understanding with students from other schools with similar levels of passion for the Malay Language.
