Re: Full Home Based Learning(FHBL)

Dear Parents/Guardians,

This is to inform you that Full Home Based Learning (FHBL) will be carried out for all students from 19th May to 28th May 2021. Students do not have to report to school. FHBL is to protect the safety and security of our students during this global pandemic as well as to develop students who are future-ready and self-directed digital learners.

The online lessons will follow the normal school timetable. Form teachers will do a video check in with the students from 7:30am to 7:50am. Academic lessons will start at 7:50am as per normal. Students will be engaged in meaningful technology-mediated learning experiences. Teachers may conduct live lessons where necessary.

All FHBL lessons will be using the Student Learning Space (SLS) platform. Students should be able to access the SLS platform from home. Instructions for the respective subjects will be uploaded onto SLS. The respective form teachers will be the main point of contact during this FHBL period.

For more information on accessing the SLS, please refer to the information overleaf. The information will also be posted on the school website.

Thank you.

Yours sincerely,

Mr Boo Hian Kok

Principal
