The Singapore Schools Challenge

- To encourage student participation in the Budget 2020 Quiz, Secondary Schools, Junior Colleges/Centralised Institute and Institutes of Technical Education/Polytechnics with the highest number of students participating in the Quiz (and registering their details) will be awarded challenge trophies. Students may check the live update of the top five schools with the most participants on the registration page upon completing the Quiz. Students themselves will also stand a chance to receive individual prizes through a final draw upon the completion of the Budget 2020 Quiz.
- There is no limit to the number of attempts for the Quiz, but each student / participant will only be eligible for one chance at the final draw.
